RE: EUPMS, LLC – Power Management Solution

To Whom It May Concern:

We installed the power optimization system in our first plant on April 21, 2015. To date (May 2017) we have received a cost savings of \$75,367.

The second plant installation was installed January 18, 2016 and to date (May 2017) have received a savings of \$83,619.

We are very pleased with both installations and are very grateful for the professionalism Mr. Edmundo Duarte has shown with his commitment and involvement in both these projects.

We highly recommend the EUPMS Power Optimization solution.

Sincerely
